HAZARDOUS SUBSTANCES

State Law (Labor Code (LC) § 6360 et seq.) requires employers to have information regarding hazardous or potentially hazardous substances in the workplace on file or readily available to them. In order to assist employers to comply with this requirement the Department of Industrial Relations has compiled a list of hazardous substances.

Some or all of the products listed on this CMAS appears on the Hazardous Substances List. CMAS supplier must provide Material Safety Data Sheet (MSDS) for these products when they are delivered to California Public Agencies. A Material Safety Data Sheet is supplied by the manufacturer of a substance and lists the manufacturer's name and address, the name, chemical and physical properties of the material, and the potential hazards, safeguards and procedures to follow in case of accident or overexposure.

Buyers must verify that the CMAS vendor has a letter of authorization from the manufacturer or an authorized distributor for the sale of the products being procured.

The most current Ordering Instructions and Special Provisions, CMAS Terms and Conditions, and products and/or services are included herein. All purchase orders issued by State agencies under this CMAS shall incorporate these Ordering Instructions and Special Provisions and CMAS Terms and Conditions dated December 1, 2017.

Agency non-compliance with the requirements of this CMAS may result in the loss of delegated authority to use the CMAS program.

CMAS contractor non-compliance with the requirements of this CMAS may result in termination of the CMAS.

HAZARDOUS SUBSTANCES

State Law (Labor Code (LC) § 6360 et seq.) requires employers to have information regarding hazardous or potentially hazardous substances in the workplace on file or readily available to them. In order to assist employers to comply with this requirement the Department of Industrial Relations has compiled a list of hazardous substances.

Some or all of the products listed on this CMAS appears on the Hazardous Substances List. CMAS supplier must provide Material Safety Data Sheet (MSDS) for these products when they are delivered to California Public Agencies. A Material Safety Data Sheet is supplied by the manufacturer of a substance and lists the manufacturer's name and address, the name, chemical and physical properties of the material, and the potential hazards, safeguards and procedures to follow in case of accident or overexposure.

Buyers must verify that the CMAS vendor has a letter of authorization from the manufacturer or an authorized distributor for the sale of the products being procured.

The most current Ordering Instructions and Special Provisions, CMAS Terms and Conditions, and products and/or services are included herein. All purchase orders issued by State agencies under this CMAS shall incorporate these Ordering Instructions and Special Provisions and CMAS Terms and Conditions dated December 1, 2017.

Agency non-compliance with the requirements of this CMAS may result in the loss of delegated authority to use the CMAS program.

CMAS contractor non-compliance with the requirements of this CMAS may result in termination of the CMAS.
